ABOUT US

- Hawkings Automotive Pvt. Ltd. is a fast-growing Indian electric vehicle manufacturing company committed to building a sustainable, profitable, and future-ready mobility ecosystem for India.
- With over 7+ years of industry experience, Hawkings has established itself as a trusted manufacturer of high-performance electric scooters, e-rickshaws, and commercial EV solutions, designed specifically for Indian roads, Indian usage conditions, and Indian entrepreneurs.
- We operate with a strong focus on innovation, quality, and scalability, backed by our self-manufacturing unit and a professional team of engineers, designers, and EV specialists. Every Hawkings vehicle is built to deliver maximum range, low maintenance, high durability, and long-term value.
- Hawkings is not just an electric vehicle company, we are building India's next-generation EV business network.

OUR VISION

- To accelerate India's transition towards sustainable and intelligent electric mobility while creating profitable business opportunities for entrepreneurs nationwide.
- We envision Hawkings as a national EV powerhouse that combines technology, manufacturing excellence, and business support to make electric vehicles accessible, reliable, and commercially successful across urban and rural India.
- Our long-term vision is aligned with Green Bharat 2026, contributing actively to:
 - Reduction of carbon emissions
 - Adoption of zero-emission transportation
 - Growth of India's EV manufacturing ecosystem

OUR MISSION

- "Company to accelerate the world's transition to sustainable energy."
- Hawk Wings is not just an automaker, but also a technology and design company with a focus on energy innovation.
- We started the journey since in the Automobile industry.
- Our self manufacturing Unit. India's fifth Electric vehicles self Manufacturing Company.
- We created a team of professionals, Based on their experience and skills. 100% recognized by Indian Government

WWW.HAWKWINGSINDIA.COM

4 - 4.5 Charging time

120 km Range

Telescopic Suspension

Anti Theft Alarm

SPECIFICATION

Rated Power- 250 Watt, BLDC Motor

Peak Power - 250 Watt

Speed - 40-50 Km/Hr

Range/Charge - 120 Km/Charge

Brake System - Front Disk | Rear Drum

Seat Height - 740 MM

Loading Capacity - 200 Kg

Tyre - 3.00 - 10 Tubeless (Front / Rear)

Speedometer - LCD

Battery - 60v 42ah Lithium-Ion (Detachable Battery)

Charger Specification - Micro Charger With Auto Cut

Charging Time	- 4 - 5 Hours
Suspension	- Front-Telescopic Suspension Rear-Dual Spring Type Hydraulic Suspension
Key Feature	- Remote On Function
Headlight	- LED With DRL (Day Running Light) Function
Back Light	- Unique Design With LED Winkers Wheel - Stylish Aluminium Alloy Wheel
Battery & Motor Warranty	- 5 Years Warranty
